

**BEFORE YOU TAKE  
THAT PHOTO OR VIDEO  
ON SCHOOL GROUNDS**

**WAIT**

**USE YOUR DIGITAL KNOW HOW**

Ask other students or adults for their permission (and respect their answer!)

Never take photos or videos of other students or adults without their knowledge.

Never post photos or videos online that show other students (even if their face is just in the background!)

Never share photos or videos through text, email or a person-to-person app that show other students (even if their face is just in the background!)

*We are knowledgeable, skilled and innovative learners who are developing positive digital communication skills.*
